

Worplesdon Primary School – Weekly Update

Dear Parents and Carers of Year 4,

3.7.20

We have had another successful week, thank you for your continued support.

In English, we enjoyed reading the children's own versions of 'Embarked'. Well done all of you! Next week we will be writing some 500 word stories based on the Radio 2 competition.

In Maths, the children did well with their fractions revision. Next week we are going to be looking at Roman Numerals. In addition, we will be consolidating the children's knowledge of statistics through problem solving.

We hope you are enjoying the live lessons! We certainly are! You will notice from the stream that in the next week or so all the children will have the opportunity to meet their new teacher. We hope you are all able to attend. There will be some other events on the stream so please look out for these.

Just a reminder to collect some magazine pictures of faces (or print outs) and a shoe or cereal box for a couple of DT/Art projects that are coming up.

Next week, your child's new teacher will be holding a Google Meet so they can meet each other. Due to this, there will not be a Google Meet in their current classes. We will still be holding live lessons.

Thank you so much for continuing to support your children's learning both at home or in school, it has made such a difference to us and ensured that no one has been left behind.

Enjoy the weekend,

Kind Regards,

The Year 4 team.
