

Worplesdon Primary School – Weekly Update

10.7.20

Dear Parents and Carers of Year 4,

It is strange to think we only have a week and a half left of this academic year! Thank you again for your ongoing support with your children's learning.

This week in English, we have enjoyed reading the 500 word stories that the children have written. In Maths, the children have done well with their Roman Numerals and their statistics. We are very proud of their hard work and resilience.

We have planned a themed project for the next week and a half based on 'Under the Sea'. We've got lots of interesting activities for the children to have a go at and we hope they enjoy them!

Please ensure you have collected any PE kits that were left at school, before the end of term. These are being stored at the office.

This week all the children had the opportunity to meet their new class teacher; we hope you were all able to attend. There are a couple of other transition videos and stories, which will be posted on the stream. Please keep a look out!

Next week, from Monday to Wednesday we would like to invite the children to take part in a virtual sports day. There are 3 events: target throw, sprint and standing jump. Mr Djadali will be uploading information, video clips and score sheets onto Google Classroom to support with this. We can't wait to see how you all get on. Remember there are lots of house points to be won!

In the last week of term, we are planning some social distanced activities on the field and we hope this will enable the children and us to say a face-to-face goodbye. The children will need to come to the field with a hat and a water bottle. The children who are already in school in bubbles will also be joining us.

The dates for these are as follows:

- Nightingales: Thursday 16th July - 9:00 - 9:40 am
- Kingfishers: Thursday 16th July - 10:40 - 11:20 am
- Woodpeckers: Wednesday 22nd July - 9:00 - 9:40 am

Finally, school closes at 1:45 pm on Wednesday 22nd July so keep up the amazing work you are all doing. You have been amazing!

Kind Regards,

The Year 4 Team.
