

NEWS FLASH

Friday 10th July 2020

A MESSAGE FROM MRS O'BRIEN

It is an absolute pleasure to announce that we will be re-opening Worpleston to all children in September. With the exception of our new reception children who will have a staggered start as usual, children in years 1 to 6 will return on **Thursday 3rd September**. I cannot thank you enough for your patience, support and understanding over the last four months.

I will write to you again on Monday with an overview of the risk assessment, details around implementation and an updated FAQ. In the meantime, I hope this is good news for you.

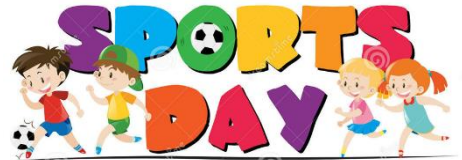

School Reports

SCHOOL REPORTS

If your child is currently in school, they will receive their school report to bring home on Monday (13th July). If your child is at home being home schooled, you should receive this in the post on Monday. We hope you will enjoy celebrating your child's achievements this year. As always, please do not hesitate to contact your child's class teacher if you would like to discuss the content of the report.

VIRTUAL SPORTS DAY 2020 (MONDAY 13TH – THURSDAY 16TH)

We are delighted to announce that we have organised a 'virtual sports day' which will take place next week. This will consist of a short sprint, target throw and standing long jump event – all to be set up by parents/carers with their children. The events have been designed to be accessible to all, with minimal equipment required! It would be fantastic if adults could find some time in their busy schedules to do these events with their children and upload their scores to the assignment on Google Classroom where results will be tallied for house points and winners for events will be announced. Pictures and videos are encouraged! Have fun 😊.

To celebrate how the children have been Super Heroes fighting this virus, we are hoping to raise enough money for a new trim trail. We have already had 50 generous donations – thank you! If you have not yet donated and feel that you can, please click the link below.
