

17/07/20

Dear Parents / Carers,

Goodbyes are not forever.
Goodbyes are not the end.
They simply mean
I'll miss you
until we meet again.

Well what a year it has been! It was an absolute delight to see you at our end of year farewells, we are so proud of the resilience, positivity, curiosity and independence that you are showing, you are living by our school values every day! We know that it is not the Year 3 ending we would have all hoped for, but we are looking forward to saying hello around school when you return as a Year 4!

In Maths this week, we have been deepening understanding of basic learning concepts such as place value, coordinates and money, all of which will support them in their transition to Year 4. In English, we have been deepening our grammar skills and writing letters to our new teachers ahead of September. In History, the children have learnt about important Victorian individuals and the impact they had on the society. In Art, we learnt about Henri Matisse and the children have been replicating his beautiful collages. The creations have been wonderful!

We wanted to let you know that we have had instances of children accessing the online profiles of other pupils in Year 3 and 'spending' rewards they have achieved in games and activities, this is something they should not be doing. Children should only be accessing their own profiles.

Your child should have collected their PE kit during their farewell sessions, however if your child still has a P.E. kit in school, please can you come to the school office between 9:30 and 2:30 on either Monday or Tuesday to collect it.

We wish you all a restful and relaxing holiday filled with lots of family time. We look forward to seeing you again very soon.

Stay safe and well.

Mrs Woodruff, Miss Connor and Miss Bennett
