

Worplesdon Primary School – Weekly Update

Dear Parents and Carers

We cannot believe we are so near to the end of this very strange academic year! We have had another great week both in school and on google classroom especially with all the excitement of Sports Day. Thank you to everyone who has uploaded scores and photos to the classroom, it has been wonderful to see all the children getting involved in this both virtually and in bubbles in school.

Next week Miss Francis and Mrs Beight will not be holding google meets for the children learning at home because we are going to be seeing the children in school for our farewell on the field. We cannot tell you how excited we are to see all the children together on Monday. Finches are meeting on the field from 9-9.40 and Blackbirds from 10.40-11.20, a reminder that unfortunately parents cannot stay on this occasion and are asked to return to collect their children at the finish time. During our farewell we will be asking the children to share something they have done and something they are looking forward to in Year Two, if your child could come with an idea of what they would like to share that would be amazing.

For all of the children, whether working at home or in bubbles in school, we finish for the summer break on Wednesday 22nd July.

We hope you all have a lovely weekend in the sunshine!

With very best wishes

The Year One Team
