

Worplesdon Primary School – Weekly Update

11.11.20

Dear Parents and Carers of Year 4,

We have had a very successful first full week back in Year 4. We are so impressed with how well the children have adapted to their new routines both in the classroom and when playing outside in their 'Bubbles'.

In English we have started a three-week block of work based on the Michael Morpurgo story: 'This Morning I met a Whale'. Our skill focus is using a variety of conjunctions. Next week we will be tweaking the story to include a new character.

We have also attached a helpful document to give you some valuable hints and tips for when you read with your child at home.

In Maths we have been revisiting Place Value. Next week we will be continuing to look at Place Value. Over the next few weeks we will be learning about partitioning, rounding and number lines.

We have also begun our Art topic based on the artist Lowry and our Science work about States of Matter.

Thank you to everyone for remembering to come in wearing PE kit on our PE days. Just a reminder that our PE days are Wednesday and Thursday.

If your child has a birthday and wishes to distribute sweets, please can they come into school 2 days before the date so that they can be quarantined before going home.

Kind Regards,

The Year 4 Team.
