

Worplesdon Primary School – Weekly Update

18.9.20

Dear Parents and Carers of Year 4,

We have had another successful week in Year 4. The children have been learning about our value of the month 'Responsibility' in assemblies this week and we have been so impressed with how responsible they have all been. Keeping to the new routines, helping each other and being so positive with their learning.

In English, we have been writing the tweaked version of our story 'This Morning I Met a Whale', choosing a new character but still with a focus of conjunctions. Next week, we will be inventing our own story based on meeting a creature in an unexpected place.

In Maths, we have been exploring place value, with a focus on numbers in the 1000s. Next week, we will continue to look at place value. We will be counting in 25s, looking at negative numbers and exploring roman numerals.

You will shortly be able to access our 'Welcome to Year 4' presentation on Google Classroom. This will give you some information about the year ahead. If you have any questions about anything in this presentation please contact your child's class teacher on the email addresses below.

Mr T - dtorjussen@worplesdon.surrey.sch.uk

Miss Connor – gconnor@worplesdon.surrey.sch.uk

Mrs Chitson – jchitson@worplesdon.surrey.sch.uk

Mrs Sibley – hsibley@worplesdon.surrey.sch.uk

Also, on Google Classroom we will be uploading work for those children who are not at school. The work we upload will be the same as the work we do in school so if your child is in school please do not do this work. Any questions or queries please let us know.

We would like the children to all bring in a spare pair of 'field footwear' to keep in school in a named bag. As you know we are using the outside spaces (including the field) as much as possible and will continue to do so when the weather is not as good, so a spare pair of trainers or wellies will be useful.

Thank you for all support with our new routines, it is most appreciated!

Kind Regards,

The Year 4 Team.
