

Worplesdon Primary School – Weekly Update

25.9.20

Dear Parents and Carers of Year 4,

We have had another great week in Year 4! We hope you have all had a chance to watch our 'Start the Year' videos and presentations on Google Classroom. Please don't hesitate to contact us if there are any further questions.

In English we have been inventing our own stories this week based on our text 'This Morning I Met a Whale.' We have been focussing on using a range of conjunctions. Next week we are moving onto our next 3-week block focussing on Non-Chronological reports.

In Maths, we are continuing our work on Place Value, adding and subtracting 1000. Next week we will be finishing our work on place value and we will be focusing on negative numbers and Roman Numerals.

Just a reminder, as the weather becomes more unsettled, please ensure that your child has a suitable waterproof coat with them and a spare pair of field shoes in a named carrier bag. We will be using the outside areas throughout the winter months.

You will have received a sponsorship form this week explaining that all children will be taking part in running a marathon to raise funds for the school. Thank you in advance for your support.

Our Homework Passport for this term has been uploaded to Google Classroom, we can't wait to see some of the children's work.

Also, on Google Classroom we will be uploading work for those children who are not at school but who are well enough to do it. The work we upload will be the same as the work we do in school so if your child is in school please do not do this work. If you do complete the work please comment on it as you hand in so the teachers are made aware. Any questions or queries please let us know.

Kind Regards,

The Year 4 Team.
