

Worplesdon Primary School – Weekly Update

25/09/20

Dear Parents / Carers,

We hope you have had a lovely week. The children have continued to make us so proud by adhering to the school value of Responsibility in their day to day lives.

Important information for WB 28th September

Monday 28th September – Photo day in school and PPA day. The children should come into school in **full school uniform**. Their P.E. teachers will be adapting their planning to ensure they will not need kit so they will not need to come into school wearing it.

Tuesday 29th September – Pirate themed learning day. The children should come into school wearing any pirate costume and they will **NOT** need to bring in P.E. kit as we are planning activities around this, they should come in wearing trainers.

This week in English, we have been concluding our writing using the text 'The Day the Crayons Quit', this unit has focused on the skill of using conjunctions to extend sentences. The children have been inventing their own character using another piece of stationary. In Maths, we have continued our focus on place value and ensuring the children are completely secure in their understanding of place value before moving onto operations next week. In our foundation lessons we have been planning and doing an experiment in where the children have predicted what happens to rocks when different materials are rubbed against them. In Gymnastics we have been putting together a sequence of rolls and in Art we have been imitating the work of David Hockney.

We will be shortly sending home reading diaries which you can use to write in your child's home reads. They will be checked in class however the teachers are not able to touch them due to the Covid restrictions.

We are so proud of how the children are coming into school so independently, to that end we will shortly move to not having the Teachers and Support staff on the playground in the early morning drop off session. If you have any queries, please feel free to contact your class teacher via email. This begins on Monday 28th September.

We are encouraging children to come into school with a snack, just to remind you that we are a nut free school and items such as Nutella are not allowed in packed lunches.

Thank you for your ongoing support.

Kindest regards.

Mrs Woodruff, Miss Brake, Miss Bennett and Miss Flashman
