

## Worplesdon Primary School – Weekly Update

Friday 25<sup>th</sup> September

Dear Parents / Carers,

The children have enjoyed our learning this week, showing excellent, creative writing skills in their stories where they have created their own stories based around the story of King Midas and the Golden Wish structure. In maths, we have been consolidating our knowledge on column addition with exchange which the children have done brilliantly with – well done all!

The children enjoyed hearing from the Headteacher at Christ's College and were given a summary of a typical day for a Year 7 pupil. They were also told about some of the exciting clubs and activities that occur at Christ's College and were excited at the opportunity to ask some questions!

On Monday next week (28<sup>th</sup> September), the children will be having their school photos taken. Please ensure that your child is in full school uniform – blue polo, Worplesdon School jumper, grey trousers/shorts/skirt and school shoes.

We hope you enjoyed our Year 6 Welcome Presentation – if you have any further questions, please do not hesitate to contact your child's class teacher.

We would like to remind you that your children should have waterproof jackets as the weather now takes a turn! The children will be going outside for playtimes unless the weather is torrential so it is important they are appropriately dressed. If you haven't already done so, please send your child in with a spare pair of shoes and socks – these are for changing into so that, when on the field at playtime or during PE lessons in the rain, the children do not have to spend the day with wet, cold feet!

***Reminder – applications for secondary school places need to be completed by 31<sup>st</sup> October 2020.***

Thank you for your continued support and we hope you have a restful weekend,

Mr Clifton, Miss Dunne and Mr Djadali
