

## Worplesdon Primary School – Weekly Update

16.10.20

Dear Parents and Carers of Year 4,

It seems unbelievable that we only have one more week left of this half term! Please remember that next Friday (23.10.20) is an Inset Day and the school will be closed to the children while the teachers undertake some training.

We are very much looking forward to meeting with you all at our Parent's Consultations next Wednesday and Thursday. Please be aware that each meeting will be 10 minutes long. The link for the meetings will be shared with you nearer the time.

In English this week we have been writing our own non-chronological reports, bringing together all our work on rivers and coasts. Next week we will be reading and writing some different forms of poetry.

In Maths we have been investigating column addition with exchanging and will be moving onto subtraction next week.

Your child will have brought home a design for a Christmas card which can be ordered and printed through the school. All the instructions are included in the letter.

Thank you for all your support with our sponsored marathon run. It is very much appreciated. If you still wish to donate there is an online link.

The homework passport is on Google Classroom. Please try and encourage your child to complete some of the tasks. Our expectation is that they will have completed 6 by Christmas. Once a task is completed, please comment to alert us to this.

Kind Regards,

The Year 4 Team.
