

Worplesdon Primary School – Weekly Update

13.11.20

Dear Parents and Carers of Year 4,

We have had another successful and busy week!

Today the children have all enjoyed the parties and celebrating Children in Need. We enjoyed looking at all the fantastic colouring and poster competition entries! Congratulations to the winners. We also all completed our Act your Age challenge! Many thanks for all your generous donations.

In English the children have been writing a tweaked version of Lila's journey based on The Firework Maker's Daughter. Next week we will be writing our own adventures still using our skill of expanded noun phrases.

In Maths the children have been solving addition and subtraction problems based on measurement. Next week we will be exploring perimeter.

We have all enjoyed making our clay shabtis this week. They are now drying out ready to be painted later in the term.

We are trying very hard not to share classroom equipment (although supplies are available for those who need them.) With this in mind, please can you check your child has the things they need in their pencil cases: pen, pencil, rubber, glue stick, selection of coloured pencils and a ruler. Many thanks.

We have been discussing the importance of drinking water throughout the day so please ensure your child always has a named bottle with them. The children keep these at hand and they can be refilled when necessary. Thank you.

We are starting to think about Christmas. Each junior class has been allocated a country to focus on.

Woodpeckers: Norway

Kingfishers: Poland

Nightingales: Bulgaria

The children will be learning a song from these countries in music and researching the Christmas traditions celebrated in these countries.

Please keep completing your homework passports! We have seen some fantastic work!

Kind Regards,

The Year 4 Team.
