

Worplesdon Primary School – Weekly Update

20.11.20

Dear Parents and Carers of Year 4,

We have been enjoying celebrating 'Anti-Bullying Week' in school this week. The children have been discussing the issues involved both in assemblies and Learning for Life lessons as well as wearing odd socks!

In English we have been writing our own endings based on The Firework Maker's Daughter. We have very much enjoyed reading their work. Next week we are moving onto a new text called Taking Flight. Excitingly, this text is a video and we will be rewriting it using direct speech.

In Maths we have been calculating the perimeter of rectilinear shapes. Next week we are moving onto a block of work about multiplication, starting with multiplying by 1,10 and 100.

We have all enjoyed starting to paint our clay models of Shabtis. They are looking fantastic! We will be doing some more clay work in the coming weeks.

Just an early reminder: After Christmas the children will be making models of Roman Chariots in DT. Each child will need a small box to use so it would be much appreciated if you could begin to collect these. If they can be brought into the classrooms before Christmas we can ensure they have quarantined before the start of term. If your child has a box they particularly want to use themselves, please ensure it is named.

Please keep up all the good work with homework, reading and Times Table Rockstars. Your support with this really does make a difference!

Kind Regards,

The Year 4 Team.
