

## Worplesdon Primary School – Weekly Update

27.11.20

Dear Parents and Carers of Year 4,

We are at the end of another busy and successful week in school.

In English we have started our three- week block of work based on a short film clip called 'Taking Flight.' This week we are retelling the story in our own words. Our skills focus is using direct speech with all the punctuation in place. Next week we will be tweaking the story.

In Maths we have been multiplying and dividing by 10 and 100 and solving worded problems. Next week we are investigating the 3 and 6 times tables.

You will have received information this week regarding next year's trip to Marchants Hill PGL. At present we are very much hoping that this will be able to go ahead and we will update you after Christmas with any further information.

Thank you to those of you who have already brought in a box for next terms DT project. If these can be brought to school before Christmas it would be much appreciated as then we are able to quarantine them during the holidays.

All children now have individual passwords that you will have received by email. Please take time to help your child learn their password so that they can log on easily both at home and at school. Thank you!

This year we are asking the children to bring in any Christmas cards between Monday 7<sup>th</sup> and Friday 11<sup>th</sup> December. This is so we can quarantine them for 48 hours over the weekend before distributing them.

Kind Regards,

The Year 4 team.
