

Worplesdon Primary School – Weekly Update

4.12.20

Dear Parents and Carers,

We are at the end of another busy week in Year 4!

In English we have been tweaking the story of Taking Flight, choosing new settings for Tony and Grandad to visit. Our skill focus is still using and punctuating direct speech. Next week we will be inventing our own version of the story.

In Maths we have been investigating the 3 and 6 times tables. Next week we are moving onto looking at the 9 and 7 times tables. It would be helpful for the children to practise and consolidate this learning at home using Times Table Rockstars.

We have been making and decorating some clay canopic jars. It has been lovely to see their skills developing. Most of the children will have brought home their clay shabtis this week.

Just a reminder that next Friday (11th) is Christmas Jumper day in school. Please don't go out and buy a special jumper, if you don't have one, as an ordinary one can easily be decorated with tinsel etc.

We have been putting together our short class presentations about different Christmas traditions around the world. These will be filmed and put onto Google Classroom for you to enjoy.

If your child wants to give out Christmas cards to their friends, please could these be brought in next week so that they can quarantine before being distributed in the final week of term.

Finally, a big thank you to those children and parents who have learnt their new passwords. Please continue to practise this.

Kind regards,

The Year 4 team.
