

Worplesdon Primary School – Weekly Update

24/12/20

Dear Parents / Carers,

We have come to the end of another busy week and the children continue to amaze us with their hard work and dedication.

In English, we have been deepening our understanding of the use of fronted adverbials in the final week of our three-week cycle. The children have come up with their own character from a period of history and have written their own version of the narrative. In Maths, we have moved onto division and are exploring division problems involving the 2,3- and 5-times tables. In Science we have learnt about food chains and their impact on the eco system. In DT we are linking our learning to our History unit and planning the creation of a bronze age pot, we will be making these in class in the following week.

As the weather is changing, can we ask that all children bring in a coat (hat and gloves if needed) and separate shoes for the field which can be left at school. As a reminder, the children should all have field shoes for their playtime on the field.

Christmas performance videos

As you know, we are preparing a small Christmas performance in classes. We plan to film these on in the WB Monday 14th December so if the children could bring in a Christmas jumper or Christmas accessories before this date, we would be most grateful. They should bring any items in a bag which can be left on their peg.

Milestone dates in Year 3

Wednesday 16th December – Class Christmas performances uploaded onto Google Classroom.

Thursday 17th December – R.E Day

Friday 18th December – Christmas activities in class and end of term at 1:45

Online resources

The children have all been provided with new online passwords. To maintain security, we are asking the children to memorise these as we will not be providing a reminder card. Please can you encourage the children to continue to memorise these over the weekend. Thank you so much.

All the children have access to the following:

Bug Club – online reading

Purple Mash – curriculum games and activities

Times Table Rockstars – times tables activities

Spelling Shed – spelling games and activities

Thanks for your ongoing support.

Kindest regards.

Mrs Woodruff, Miss Brake, Miss Bennett and Miss Flashman
