

Worplesdon Primary School – Weekly Update

11/12/20

Dear Parents / Carers,

We have come to the end of another week, this week has been another busy one, with lots of Christmas themed fun.

In English, we have looked at a video to inspire the children to write a narrative using descriptive phrases. The video, Monty the Penguin, is a John Lewis advert from 2014 and is fantastic if you have time to give it a watch too! In Maths, we have moved onto dividing by 3 and 4. The children have really impressed us with their times table knowledge and are beginning to really understand the links between multiplication and division. In Science we have learnt about food chains and their impact on the eco system. In DT, we have been making our clay pots and in Learning for Life we have been focusing on Appreciation and things we are thankful for.

Just a reminder, can we ask that all children bring in a coat (hat and gloves if needed) and separate shoes for the field on a Tuesday which can be left at school. Those children who do not have field shoes, will unfortunately have to stay inside during lunchtime.

Christmas performance videos

Next week, we will be filming the children's Christmas performances. If the children do not yet have a Christmas jumper or Christmas accessories in school, we would be most grateful if they could bring these in by Monday at the latest. They should bring any items in a bag which can be left on their peg.
