

Worplesdon Primary School – Weekly Update

11.12.20

Dear Parents and Carers of Year 4,

Unbelievably, we now only have one week to go until the end of term! The children have been working very hard this week again.

In English, we have been writing our own adventure stories based on 'Taking Flight'. We have been including correctly punctuated direct speech. Next week we will be doing some Christmas themed writing based on the story of 'The Bear and The Hare.'

In Maths, we have been learning and using our 9 and 7 times tables to solve problems. Next week we will be solving some Christmas investigations.

This week, each class has also enjoyed an on-line drama workshop based around 'A Christmas Carol'. The children had great fun and it was lovely to see them use their creativity!

We have all been busy rehearsing our short Christmas presentations based on Christmas around the world. These will be uploaded to Google Classroom next week for you to enjoy. We will be filming on Tuesday 15th December and we need the children in school uniform however if they want to bring a small Christmas accessory or Christmas jumper to wear then please send them in with these in a named bag.

A big thank you to all of those children who have learnt their new passwords. Please keep practising. If you are unsure of your child's password then please email their class teacher directly and they can help you.

Here are some helpful hints: When logging into PurpleMash you must go via www.purplemash.com/worplesdon. When logging into Bug Club the school code is **mt6w**.

Next week we will be having a DT day where the children will be designing and sewing a felt Christmas decoration that they will then bring home. We will also distribute all the Christmas cards which have been quarantining in classes. Also, the school Christmas lunch will be on Wednesday. On the last day there will also be class parties before we finish for the holidays at 1:45pm.

Thank you for your continued support with our various fundraising events, it is much appreciated.

Kind Regards,

The Year 4 team.
