Dear Parents and Carers of Year 4,

We have had a busy last week of term! We have worked hard on our performances which are now on Google Classroom for you to enjoy.

We have all designed and made a felt Christmas decoration which the children have brought home, along with their clay canopic jars. We have also been busy doing some Maths investigations and learning about the symbol of light in RE.

Please make sure that the children check through their school equipment over the holidays and return in January with working pens, pencils and a glue stick. They will also still need a pair of field shoes, Thank you.

We would like to say a huge thank you to you all for your support this term. The children have been amazing and we are very proud of them!

We hope that you all have a very enjoyable Christmas holidays with your families. We would like to say a massive thank you for all the lovely cards and presents you have sent in for the staff. We really do appreciate them!

Don't forget that January 4th is an Inset Day.

With best wishes for Christmas and the New Year,

The Year 4 team.
