

Worplesdon Primary School – Weekly Update

Friday 15th January

Dear Parents / Carers,

Well... week two is complete! The children have continued to impress us with their hard-work and dedication in their home learning, as well as in school.

As you know, we have been delivering daily live maths lessons at 9:00am. It is so fantastic to be able to connect as a class each day and these will continue next week. Miss Roche's morning maths group will move to 9:00am (Monday, Tuesday, Thursday and Friday).

As per Mrs O'Brien's message, our home learning provision will continue to grow and develop in the coming weeks. We will share more information about this next week.

Thank you to those parents that have reached out to us with any questions, particularly concerning technical glitches. This helps us to ensure that online lessons go as smoothly as possible. It is also lovely to hear the positive experiences that the children have been having throughout this Lockdown. It is wonderful to hear that the children are engaging so well with online lessons and enjoy the pre-recorded videos that we are uploading. Please continue to share these with us as they really brighten our day!

Stay safe and take care,

Mr Clifton, Miss Dunne and Mr Djadali
