

## Worplesdon Primary School – Weekly Update

Friday 22nd January 2021

Dear Parents / Carers,

Firstly, another huge thank you for all your support at home. It is amazing to see all the hard work the children are achieving in such difficult circumstances. Also, a huge well done to all the children who are working hard at school and to all those joining us for our live sessions. We are so proud of you all!

Thank you for working with us this week as we put into place a timetable for google meet sessions with the children that fits in with the rest of the school. We would like to confirm what live sessions we will be offering:

Monday – live story at 2.30

Tuesday – live whole class session at 9.30

Tuesday – live music. Finches 1.30-2.00/Blackbirds 2.00-2.30

Wednesday/Thursday/Friday – one small group live teaching session per children per week. Please note that Blackbirds sessions will need to swap weekly so the children can work with both teachers so they may have their session on a different day each week. On the google classroom stream we have confirmed a list of dates for when these sessions will take place so that you can plan them into your week.

Thursday – live story at 2.15

Daily – assembly with Mrs O'Brien at 10.10

These will also appear on the daily schedule at the end of this parent mail. Please note that all links to google meets will appear on the stream section of the google classroom as this is the most efficient approach for us to be able to share information quickly.

Please do check the stream section everyday as messages to the whole year group will appear here.

Next week we will be planning our jeeps in DT ready to make the week after. In preparation we ask that you find a cardboard box that you can use for a chassis and use your child's plan to gather materials they can use. Wheels can be cut out of cardboard or borrowed from lego and axels can be straws, pencils, paintbrushes, etc. Once the jeeps are made and decorated in the final week of this half term we are looking forward to sharing the pictures with everyone on google classroom and in school.

For children who are currently in school. Please could you bring in a box (roughly tissue box size) in school by Friday 29<sup>th</sup> Jan. You also now only need to bring in one school snack as school fruit is now being delivered. Please make sure you do not bring in anything containing nuts.

Please feel free to email us with any questions and we will answer as soon as possible. If you have an urgent query you can phone or email the office team as they can get a message to us whilst we are teaching the class.

Wishing you all a lovely weekend. Stay safe!

The Year One Team

## Worplesdon Primary School – Weekly Update
