

Worplesdon Primary School – Weekly Update

Friday 22nd January

Dear Parents / Carers,

Half way through the half term already! It seems like Christmas was such a long time ago with everything that has been going on – hasn't the time flown by?

It has been wonderful to see the children's continued effort and the turn out to our live lessons has also been a delight. We have found that a 9 o'clock start has been really helpful to get the children going in the morning, so we will be continuing these next week. In addition, we are also expanding our remote learning over the course of next week. More details can be found in our weekly overview and Mrs O'Brien's communication this week. Please do continue to give us feedback as it really does help us to understand how to improve!

Finally, we'd like to continue to extend our thanks for your support over the past week. Without you on hand to print out a worksheet or reboot your internet router, we'd be lost.

Wishing you a wonderful weekend,

Mr Clifton, Miss Dunne and Mr Djadali
