

## Worplesdon Primary School – Weekly Update

29/01/21

Dear Parents / Carers,

Thanks again for the ongoing support with live lessons this week, the turnout has been excellent and we can see how much the children are benefitting from the contact with their teachers and peers. If your child can attend the live lessons and guided reading sessions each week, we would be most grateful, as we know how much impact regular contact with their class teachers can have on their progress.

### **\*\*\*Change to where to find the links for live lessons\*\*\***

The links for all live lessons will now be found in the Classwork section of the Year 3 Google Classroom. You should now go to the day's assignment and the live lesson link will be in the subject assignment. For example, if the live lesson is for Maths, the link will be in the Maths assignment for that day Below is a picture for reference:

*Scheduled for 31 Jan, 18:00*

\*\*\*Live Lesson at 10:30 am\*\*

Starlings: <http://g.co/meet/starlings>

In this lesson we will be adding amounts together (pence and pounds) we will be recapping the written strategies you could use and talking about which may work better for you.

You have a shopping list with some items to add together. Why not have some fun at home and make a shop with the items in the shop? Or add your own and label them with the amounts in the shopping list? It would be wonderful to see some of your photos of you shopping and adding the amounts together using a written method :).

### **Guided Reading**

Resources for your child's guided reading session with their group will be found in the Classwork section under your child's class name. E.g. Starlings Guided Reading. The assignments will be uploaded with a new heading each week, for example ' \_\_\_\_\_ ' Group-Week 2. Please see below for an example of what it would look like:

Orange Group - Week 2

Scheduled for 18:00 ▶ 10 students

Hi Orange group,

It was lovely to read with some of you last week. This week we are going to do the same thing but with a different book on Bug Club.

Please complete the pre-read activity, which is to read the book, before our session on Monday.

Your read with Miss Bennett day is: Monday at 1:00pm. Here is the link: <http://g.co/meet/starlingsorangegroup>

Miss Bennett :)

### Celebration Gallery

We have created a section on the Google Classroom where we celebrate the amazing work that children are handing in and uploading. We will be celebrating work where children have demonstrated brilliant skills, as well as work they are proud of. Please let us know of any pieces of work you are super proud of!

### Curriculum

English – This week we have begun a new text ‘Gorilla’ by Anthony Browne and our skill focus is speech. We have been reading the text and re-writing it using the conventions of direct speech.

Maths – This week, we have begun a unit on Money and we are spending this week recapping the learning from last year and converting from pence to pounds and vice versa.

Foundation – In History we have used sources from the British Museum to learn more about how the Viking’s lived. In Science we are continuing to learn about plants; this week we learnt about the pollination process. In Learning for Life we reminded ourselves about appropriate and inappropriate touch on our bodies, and enjoyed listening to the PANTS song as part of this.

### Online resources to access during the day:

Times Table Rockstar’s

Spelling Shed

Bug Club (Active Learn)

Purple Mash

If you need support at any time, please feel free to contact any member of the Year 3 team.

Best wishes, Mrs Woodruff, Miss Bennett, Miss Brake, Miss Flashman
