

Worplesdon Primary School – Weekly Update

5.2.21

Dear Parents and Carers of Year 4,

We just wanted to say a massive well done to everyone. For some reason this week has been a real struggle for some and we have been so impressed with how well the children have been coping. In our assemblies we have been focussing on 'Children's Mental Health' week and some of the strategies have been really helpful to the children in school.

It has been lovely, once again, to see so many children joining in with all the live lessons and behaving well. Remember the chat box must be used appropriately.

On Wednesdays it is our PPA morning and our timings for the Live Lessons for Music and French are:

Woodpeckers: Music: 9.00 French: 10.30

Nightingales: Music: 10.30 French: 11.00

Kingfishers: Music: 11.00 French: 9.00

The links will be posted that morning.

In English this week we have been tweaking the story of 'Can You Catch a Mermaid' still focussing on using the present perfect tense. Next week we will be tweaking the story and the children can change either the object Freya loses or the reason she cannot get back home.

In Maths we have been investigating some problems involving Area before beginning our new topic of Fractions. Next week we are continuing to look at fractions with a focus on tenths and equivalent fractions. Remember that there are videos and resources on Google Classroom to support you.

Don't forget that the Read Write spelling booklets are available to collect from outside the office. Hopefully this will help make spelling more straightforward in the next few weeks.

Please keep letting us know if you have any questions or need any further support.

Keep safe everyone and have a lovely weekend!

Kind regards,

The Year 4 team.
