We would like to remind you that school finishes for the Christmas break on **Wednesday 19th December at 1.45pm**, we return in the New Year on Monday 7th January 2019 at 8.50am.

Also, on the last day of term, Steve (our School Crossing Patrol Officer) will not be on patrol at the end of the school day so we ask that you please park safely and sensibly when picking up your children. Thank you for your co-operation in keeping our children safe.

EXTRA CURRICULAR CLUBS

We would like to remind you that there are ***NO*** extra curricular clubs next week, they will resume again in the New Year.

Please log onto ParentMail to sign your child up to any club(s) they are interested in for the Spring term, as there are some slight changes. ***You need to register your child(ren) for clubs every term*** so we can keep an up to date register of who will be attending. Thank you.

ATTENDANCE

I am delighted to inform you that despite all the coughs and colds, attendance continues to be at 96.1%. Our Reception children continue to have the best attendance and boys continue to have better attendance than the girls. Come on girls – let's beat those boys next term! Thank you to those families supporting us by adhering to our Attendance Policy.

Please remember to get the STUDYBUGS app by registering at <https://studybugs.com/about/parents>. Parents already using it have reported it is a really easy way of reporting absence when you are needing to care for a poorly child.

The Red Box Project

THE RED BOX PROJECT

The Red Box Project is available in our school. If your daughter is ever in need of sanitary items at school, please reassure her she can go and have a private word with Mrs Bennett (Mandy) in the office, who will discreetly give her what she needs 😊. If you would like any further information please visit the following website www.redboxproject.org.uk.

MOBILE PHONES – REMINDER

Children are not encouraged to bring mobile phones into school. If there is a need for your child to have a mobile phone in school, this will need to be handed into the School Office at the beginning of the day and collected at 3.15pm. It is school policy that they are not kept with the child or in the classroom; thank you for your support with this.

SPORTS NEWS

High-5 Indoor Netball tournament

The Year 6 team were outstanding at their first High 5 tournament last week. They started well in the group stages and narrowly missed out on a place in the semi-finals following a real nail biter against Queen Eleanor's, who went on to win the tournament. Year 6 won their play off against St Joseph's 4-1 to finish 5th overall out of 11 teams. The standard of netball was high and we were extremely proud of how the team played, particularly against some very experienced players. Well done Year 6!

DIGITAL CAMERAS

We would like to use our fantastic new website to share photos of your children's learning with you. For this to be successful it would be great to have more digital cameras in the school. If you happen to have an old camera at home which you no longer use, we would love to give it a good home. If you do, then please come and drop them into the Office with any cables and chargers. Thank you very much.
