

Worplesdon Primary School – Weekly Update

Friday 12th February

Dear Parents / Carers,

We made it! Six weeks ago, 2021 had just begun and we were getting ourselves ready to welcome everyone back to school. While we haven't come "back" to school yet, it really has felt like we have had everyone with us over this half term thanks to seeing the children on live lessons and being wowed by the work submitted on Google Classroom. We are so unbelievably proud of them!

As we sit here and write this on the final day on the final day of half term, the sun is shining and we are filled with optimism about the future and the exciting things we have planned for the rest of the year.

But really all we should be thinking about now is 9 days of lie ins and chilling out with our families. It is well and truly earned, especially by all of the parents who helped keep them motivated about sitting in front of a tablet or laptop for hours on end. We've said this so many times before, but thank you so much for your continued support.

Wishing you all a relaxing break,

Mr Clifton, Miss Dunne and Mr Djadali
