

## Worplesdon Primary School – Weekly Update

12.3.21

Dear Parents and Carers of Year 4,

We have had a fabulous first week back in school. We have been so impressed with the children: they have adhered to all the school rules, worked extremely hard and settled back into the routines. Very well done to all!

In English we have been writing our own stories in the style of Oliver Twist. The children have been using different sentence types and conjunctions in their writing. Next week we will be starting our new block of writing based on the short video; 'Embarked'. Our skill focus will be the use of pronouns.

In Maths we have been investigating finding fractions of amounts. Next week we are moving onto a block of work about decimals.

Just a few quick reminders: We will be changing reading books, as before, on a Friday so that they can then quarantine over the weekend. Please continue to record your child's reading in their diaries at home.

If you have not yet returned the spelling booklet, please can you do so as soon as possible. Thank you.

The children are still expected to bring in a pair of field shoes or boots. We will all be using the field at least once a week for playtimes and although it is drier than it was it is much better if the children have different shoes. We are also trying hard not to share class equipment so please check that your child has everything they need in their pencil case.

We are beginning our chariots in DT next week so if you do still have any small boxes at home we would be grateful for these. Thank you.

We hope everyone has a happy Mother's Day weekend! Thank you for all your on going support.

Kind Regards,

The Year 4 team.
