

Worpleston Primary School – Weekly Update

19.3.21

Dear Parents and Carers of Year 4,

Here is our weekly roundup of news!

We continue to be impressed with how well everyone has done settling back into school! The children have picked up where they left off and are all working hard in class.

In English we have started our new three-week block of work based on the short animation 'Embarked'. Our skill focus is to use pronouns in our writing. Next week we will be tweaking the story. We have also been reintroducing text mapping to the children as we believe this will help them with their planning.

In Maths we have moved onto looking at decimals, investigating tenths and hundredths. Next week we will be looking at some problem-solving activities using decimals.

We have started to design our Roman Chariots in class and we will begin to make them next week.

We are aware that many children will have grown out of school shoes during the closure so if they need to wear trainers until the Easter holidays please don't worry. Just a reminder: Our PE days are Wednesday and Thursday and so on those days the children should come to school in PE kit and trainers.

One or two children have not been bringing in a coat this week. Although the weather has been brighter it can still be chilly and we are outside every day so please make sure they have one with them.

A massive thank you and well done to those who came into school in Mufti today to support Red Nose Day! You are brilliant!

Finally, we are hoping to have an update for you next week from PGL. We will keep you updated as we hear from them.

Thank you again for all of your ongoing support this year.

Kind Regards,

The Year 4 team.
