

Worplesdon Primary School – Weekly Update

30.4.21

Dear Parents and Carers of Year 4,

Here we are at the end of another term. It certainly hasn't been the term we expected but we are so proud of how the children have coped and their attitude to learning.

This week in English we have been writing our own stories based on 'Embarked' and in Maths we have been continuing our work on Decimals. After the holidays we will be starting our new topic: 'Awesome Architecture' looking at buildings through history, locally and around the world.

We all enjoyed taking part in the 'Brush Party' this week! The children's paintings were fantastic and they were able to follow the instructions well, even when they were a bit tricky.

We have given out house points to all those children who completed homework but because of the unusual circumstances of the term we haven't done our usual celebration. Our new passport will be on Google Classroom after the holidays.

As you may have seen on the Newsflash, parents' consultations will take place on Wednesday 28th and Thursday 29th April. Keep an eye out for booking details.

Just a reminder to please check and replenish your child's pencil case during the holidays. Thank you for your ongoing support this year.

We would like to wish you all a very happy Easter break!

Kind regards,

The Year 4 team.
