

## Worplesdon Primary School – Weekly Update

Friday 1<sup>st</sup> April

Dear Parents / Carers,

We made it! This term has been a real team effort, with many of you putting on your “teacher hat” and mucking in for 8 weeks of lockdown. However, now that the sun is shining, that is all starting to feel like a distant memory and we couldn’t be happier as we look forward to all the exciting things ahead in the summer term!

A real highlight of the week has been seeing the children mix outside at break and lunch time. Friendships have been rekindled and new bonds are beginning to be made between the classes. We have impressed upon the children about how grateful we are of them continuing to follow the government guidance both inside and importantly outside school to allow this to happen safely.

On the first Friday back at school after Easter (Friday 23<sup>rd</sup> April), each year 6 class will be participating in a cricket taster session provided by the charity, Chance to Shine. Therefore, they will need to come to school in PE kit on this day, as well as Tuesday and Wednesday as per usual.

And that’s all from us! We hope all your families are well and you are excited for the Easter break together. We hope the easing restrictions make life a little easier and that we have good weather to enjoy it in.

All the best,

Mr Clifton, Miss Dunne and Mr Djadali
