

Worplesdon Primary School – Weekly Update

23.4.21

Dear Parents and Carers of Year 4,

Welcome back to school for the summer term. We have been very impressed with how well all of the children have settled back into the school routine. Thank you to all those of you who have replenished pencil cases over the holidays. It really does help us stay Covid secure if we don't have to share equipment!

In English, we have started re-writing our new story based on the text 'The Impossibly, Possible Bookshop'. Our skill focus is to use speech punctuation correctly in our writing. Next week we will be tweaking the story to change the type of shop Sammy visits and how he enters the magical world.

In Maths we have continued our work on decimals. Next week, we will be finishing off our work on decimals, before moving onto money. It would be really helpful if you could continue to practise the times tables up to 12x12. In school we use TTRockstars and a game called Daily 10. Here is the link: <https://www.topmarks.co.uk/maths-games/daily10>. Our aim is to get the children answering all of these times tables within 6 seconds.

We have started our new topic: 'Awesome Architecture'. We will be looking at buildings in history, in our local area and around the world.

You will find the new Homework Passport for this term on Google Classroom. Please have a look at the activities included. Once your child has completed a piece of work please upload it to the assignment and comment so the teachers are alerted to the upload.

As you are probably aware, next week we will be holding our parent consultations. These will be on line meetings of 10 minutes per appointment. We look forward to meeting with you all.

If your child has signed up to any of the Guga Sports clubs they may come to school on that day wearing their PE kit.

Just a reminder: There is to be no nail varnish worn in school, earrings should be small plain studs and must be able to be removed by the child for PE and long hair should be tied back and away from the face using plain hairbands (girls and boys). Thank you for your cooperation.

Kind Regards,

The Year 4 team
