

Worplesdon Primary School – Weekly Update

Friday 23rd April

Dear Parents / Carers,

Welcome back to the final term of the children's journey at Worplesdon. This year really has flown by for us and I'm sure it feels like only yesterday they were just beginning that journey in reception! However, there is still lots to look forward to and we are very excited for the rest of our time together.

From next week, the children will be starting to receive homework from their class teacher for reading, grammar and maths. It will be set on Mondays to be collected in on Fridays and each piece is intended to take 10 – 15 minutes. Not only is it important to continue to recap learning from earlier in the year, we think it is crucial in helping them to be ready for secondary school by building independence and responsibility. We are more than happy to help the children with their homework throughout the week, so please don't hesitate to contact us if you would like us to go through something with them.

We have noticed some children coming to school wearing makeup, acrylic nails or nail varnish. While we know it is exciting that shops are now opening up, we appreciate your support with our uniform policy. If you have any queries regarding this, please contact either ourselves or the office.

As the weather continues to get warmer, please could children continue to come to school with a water bottle so they can stay hydrated throughout the day. It really makes a difference to their brain power, particularly in the afternoon!

Finally, we are starting to think about summer production, which is The Lion King! We are looking to create some back drops so if anyone has any clean white sheets or generally large pieces of fabric you think might be of use to us, we would be very grateful for any donations!

Enjoy the sun this weekend,

Mr Clifton, Miss Dunne and Mr Djadali
