

Worplesdon Primary School – Weekly Update

30.4.21

Dear Parents and Carers of Year 4,

It was lovely to catch up with so many of you at our parent's consultations this week. Please remember that we are available by email to answer any questions you may have.

In English, we have been writing our tweaked versions of the story based on 'The Impossibly Possible Bookshop'. Our skill focus is using correctly punctuated speech in our writing. See if your child can explain to you what a 'Speech Burger' is! Next week the children will be inventing their own stories.

In Maths, we have been continuing our investigations into decimals. Next week we are beginning to look at money.

It would be really helpful if you could continue to practise the times tables up to 12x12. In school we use TTRockstars and a game called Daily 10. Here is the link: <https://www.topmarks.co.uk/maths-games/daily10>. Our aim is to get the children answering all of these times tables within 6 seconds.

The children who are attending the GUGA sports clubs before and after school have been enjoying them! It's lovely to see their enthusiasm!

Please remember to check the Homework Passport which has been uploaded to Google Classroom, there are lots of fun activities to try as well as reading and times tables which should be ongoing.

We hope you all enjoy the Bank Holiday weekend and we will see you at school on Tuesday!

Kind Regards,

The Year 4 Team.
