

Worplesdon Primary School – Weekly Update

Friday 23rd April

Dear Parents / Carers,

As is usually the case at this time of year, we ask ourselves, “Easter? What Easter?” and it really does feel we’ve been back longer than two weeks because the children really have hit the ground running and are really enjoying being back at school and working on our new units of work for the Summer term

Thank you for your support with helping your children to complete their homework on time! As a reminder, here is our message from last week about what we are doing and why we are doing it:

“From next week, the children will be starting to receive homework from their class teacher for reading, grammar and maths. It will be set on Mondays to be collected in on Fridays and each piece is intended to take 10 – 15 minutes. Not only is it important to continue to recap learning from earlier in the year, we think it is crucial in helping them to be ready for secondary school by building independence and responsibility. We are more than happy to help the children with their homework throughout the week, so please don’t hesitate to contact us if you would like us to go through something with them.”

We are also really excited about the time capsule we are creating as a school to remember the past year. If you would like to contribute something to put into our capsule, please bring it to the school office.

Finally, thank you for the donations of sheets and fabric we have already received, however we would still appreciate more large plain sheets or material to help us with our backdrops and costumes. In addition to this, we will be using paper mache to make some props over the coming weeks, so any newspaper you have would also be greatly appreciated.

Enjoy the sun this weekend,

Mr Clifton, Miss Dunne and Mr Djadali
