

## Year 2 Homework Passport: Summer Term

Completed	Activity	Signed by Teacher
	Measure items in your house, use a ruler to the nearest cm and find items that are bigger than a metre and smaller than a metre.	
	Teach someone in your house how to add a two- digit by a two-digit using a blank number line or the jottings and then repeat with subtract.	
	Try telling the time to the nearest hour, half hour and quarter of an hour.	
	Follow a recipe to bake something and measure out the ingredients.	
	Set up an obstacle course around your garden. Make sure that you include: left and right, forwards and backwards, whole turn, quarter turn, half turn and three-quarter turn and clockwise and anticlockwise.	
	Make a recycle or anti-litter poster	
	Draw and label a plant	
	Do a book review of your favourite book	
	Play a game of cricket related to the cricket sessions or think up a game that practises kicking skills or fielding.	
	Plant a plant in your garden	
	Visit a garden centre	
	Visit a farm or a zoo and write a diary entry on what you did there	
	Draw a picture of your favourite animal in its habitat and label it.	
	Research an animal from another country	
	Help mum and dad to water the plants in the garden	
	Help with all the chores around the house for one day	
	Practise your 2, 5 and 10 time tables off by heart	
	Go on a living thing hunt when out for a walk and take photographs of what you found.	
	Use 2 paint on purple mash to draw a picture of a plant or animal.	
	Find out three new Judaism facts and write about them.	

Our topic this term is *Living things (plants and animals)*.

Your mission is to complete at least **6** activities this half term. As you do the activities please upload photos, posters and reflections on your google classroom account.

Be prepared to share your termly home learning with your class on the week commencing 12<sup>th</sup> July 2021. Each day, we will share a group of children's homework in class.

***You are still expected to complete 3 signed reads each week as well as spending some time practising your number bonds and times tables.***

*Comments and feedback from your teachers and classmates.*
