

Worplesdon Primary School – Weekly Update

Friday 7th May

Dear Parents / Carers,

Three weeks down and three more to go – how on Earth are we half way to May half term already? The week really has flown by, but thankfully the weather has largely held out and the children have been able to enjoy time together outside after a hard week's work!

Next week, we are going to begin to audition and cast roles in our end of year production, The Lion King. Some roles have a significant number of lines so we have asked the children who would like one of these parts to practise a few lines over the weekend. Next Thursday, we will ask these children to perform this for us to help make our decisions. However, everyone will play a part in our production with all children involved in smaller speaking roles, singing and prop making. We are very excited!

Homework is proving to be very successful with nearly everyone completing their tasks on time again this week. We really feel this is playing a vital role in preparing them for secondary school, so thank you once again for continued support with this.

Although it is May, the weather still seems unsure about what season it would like to be so please can children continue to come to school with a light rain coat and shoes to change into for the field if it is forecast to rain.

Finally, thank you for all of the newspaper donations so far – we will be using it on Monday. If you still have some to donate, we would greatly appreciate it!

Have a lovely weekend,

Mr Clifton, Miss Dunne and Mr Djadali
