

Worplesdon Primary School – Weekly Update

Friday 14th May 2021

Dear Parents / Carers,

The weather continues to surprise us! As we are outside at playtimes and lunchtime please could you send in a coat even if the forecast is set fair. Thank you.

Curriculum

As Writers we have started a new story 'Titch.' We are retelling the story and focusing on using different punctuation accurately in our writing.

As Mathematicians we have been exploring division through sharing.

As Scientists we have been experimenting further with plants and their needs and will be starting to grow our own plants.

As Computing experts we have continued to use 2Go in the tools section on Purple Mash. This week we have been exploring the use of diagonal instructions.

As Designers we have been continuing to design and create our own sewn artwork using running stitch as a border.

As Athletes, today we have fielding the ball and trying to intercept it as it travels.

As Religious experts we have thought about some times in the bible when Jesus was kind to people.

Supporting at home

You can support at home by reading daily, it makes such a difference to their progress if they can be heard every day. Practising phonics, practicing recognising, ordering and writing numbers to 50 and spelling tricky words would all really help too. Writing number names is a great support.

This week the phonics we are practicing are:

ear ure

The words we are practicing spelling independently are:

friend school

Ongoing reading and spelling of the Year One common exception words (on google classroom) is a great way to support your child.

In maths:

Using the language of division would be a great support. Practicing sharing when giving out things at home and using the stem sentence '____ shared by ____ is ____.'

Useful Information

Please make sure that everything is clearly named – sun hats, water bottles, PE jumpers, wellies etc.

Please could all children bring a coat to school each day. The weather is keeping us on our toes at the moment and we try to go outside every day if possible.

Worplesdon Primary School – Weekly Update

Summer term homework passports are now on google classroom. If your children would like to complete any of the activities then please feel free to upload their work to the homework assignment and we will share it later in the term.

Please feel free to contact us with any questions or information you feel we need to know via email. We will check our emails before and after school but please feel free to phone the office if you have an urgent query during the school day.

Wishing you a wonderful, long bank holiday weekend!

Thank you for your ongoing support,

The Year One Team
