

Worplesdon Primary School – Weekly Update

Friday 21st May

Dear Parents / Carers,

What a horrible week of weather! Hopefully all the rain for the month has fallen and we will have a dry half term in a week's time – where has the time gone!

In case the weather does not improve, having a light raincoat at the bottom of their school bags every day helps us to let the children have outside play for longer without them coming in and feeling wet and uncomfortable. Thank you for your support.

This week, we announced the speaking roles for our end of year production and the children were very excited! We had so many wonderful auditions that we had to split some of the roles and even create new parts. Next week, we will begin rehearsing as a year group and all the children will start to get involved with singing, prop making and as the supporting cast members. Any help you could give us with learning the key songs at home would be greatly appreciated!

Next week, the year 6 teachers and Mrs O'Brien will be visiting PGL in Osmington Bay to complete a site visit and risk assessment. On Wednesday 9th June at 4pm, we will be holding a parents meeting on Google Meet to share all the information you will need ahead of our trip and give you the opportunity to ask any questions you may have. If you cannot attend, we will send home the information via ParentMail aswell. The link for the meeting is:

Have a great weekend,

Mr Clifton, Miss Dunne and Mr Djadali
