

Worplesdon Primary School – Weekly Update

28.5.21

Dear Parents and Carers of Year 4,

Here is our last weekly update of the half term!

In English we have completed our last week of Poetry. The children have worked really hard and produced some lovely work. After half term we will be focussing on non-fiction writing. We will be writing a biography of the Olympic athlete Wilma Randolph.

In Maths we are investigating time and this will continue after half term. It would be lovely if you could reinforce this at home; reading analogue and digital clocks, talking about intervals of time (how long something takes) and looking at schedules and timetables. Thank you.

Just a reminder that we have uploaded a homework passport onto Google Classroom. Once a piece of work has been completed they can be uploaded on Google Classroom. Have a go and do as much as you can.

We have begun to prepare for District Sports. As you will appreciate we have to take a much smaller team than previously but all children were able to try out for events and 6 boys and 6 girls from Year 4 will be selected and notified in due course.

The week after half term is Book Week. There will be competitions for the children to enter and a 'virtual' Book Fair. The children were able to have a look at some of the books which can be purchased this week. The Thursday after half term will be dress up day where the children can dress as a book a character, we will be having a themed day in school.

Please take time to check your child's equipment during half term, a few glue sticks and white board pens are running out!

Thank you for all your ongoing support, we hope you all have a relaxing half term!

The Year 4 Team.
