

## Worplesdon Primary School – Weekly Update

Friday 11<sup>th</sup> June

Dear Parents / Carers,

Be careful what you wish for! The sun is finally here and we are already complaining about how hot it is! Despite the increasingly hot weather, your children have continued to work incredibly hard this week and shown great resilience when getting back into routines.

Lion King rehearsals are in full swing and we are so excited! To help make some of our larger props and set pieces, we would be grateful for donations of large pieces of cardboard, such as furniture boxes. Equally, if you have any Lion King or African themed items at home you could share with us, we'd love your suggestions and contributions!

As it is very hot, the children are really benefitting from coming to school with a water bottle and hat to keep cool. We would also like to encourage them to come to school with sun cream for them to put on throughout the day. Children will have to be able to put it on themselves, but they can go to the bathroom to use a mirror.

Thank you to everyone who attended our meeting about PGL. Please accept our apologies for technical issues we had throughout the meeting which meant some of you couldn't get in. Unfortunately, this meant we could only record the question and answer section of the meeting, but please find below a link to a folder containing the powerpoint and the section we could record. If you have any questions following the meeting or upon reviewing the slides, please don't hesitate to reach out to us!

On Monday, the office will send out a form on ParentMail to complete regarding medicine, dietary needs and swimming ability.

Have a great weekend,

Mr Clifton, Miss Dunne and Mr Djadali
