

Worpleston Primary School – Weekly Update

Friday 24th June

Dear Parents/Carers,

It certainly has been a rollercoaster of a week for the team and I can only imagine the challenges you all felt this week working around most of the Year 6 bubble being closed. Your children really have shown such independence and resilience in remembering how to access Google Classroom and accessing all our live lessons which really does demonstrate how much they have grown and are almost ready for secondary school!

As a reminder, we will soon be delivering our Relationships and Sex Education curriculum. While we had planned to complete this next week, due to timetabling and our bubble closure, we are now planning to deliver it next week (w/b 28th June) and in the following week (w/b 5th July). Please see our previous ParentMail that was sent out regarding this and please don't hesitate to contact us if you have any further questions.

We have lots still to look forward to in the final three and a half weeks at Worpleston and can't wait to see the children again on Monday.

The Year 6 Team
