

## Worplesdon Primary School – Weekly Update

02/07/21

Dear Parents / Carers,

What a week we have had in Year 3! The children continue to amaze us with their resilience, perseverance and cheerfulness.

### Sports Day

What an amazing morning we had with the children. They all participated in the activities and had a brilliant day! We had a great mix of events for them to participate in including the sprint and long distance running. Then we had a series of potted sports activities which included: Speed Jump, Standing Jump and Javelin Throw. They amazed us with their competitiveness and diligence! We hope they had a wonderful day and enjoyed the stickers and medals which were handed out at the end of the session. I think they also enjoyed the staff race which was won by Miss Bennett 😊.

### Curriculum

English – This week we have begun looking at an extract from a wonderful text called ‘Flamingo Hotel’ The children will be using their arsenal of skills to imitate the text and demonstrate what they have learnt over the year.

Maths – This week we begun looking at mass and capacity. We have been practising reading scales for mass and solving problems linked to this. If you are able to consolidate this at home with some home baking, that would be wonderful.

Foundation – As geographers, we have been carrying out some fieldwork and representing our understanding by creating a map of our local area. The children had a great trip around Fairlands and even chatted to some local residents, they were incredibly polite and we were so proud of their representation of our school values. In R.E. we have been creating artwork which represents God as a ‘father figure’ and in Science the children have begun learning about Magnets.

### New Classes

The children found about their new teachers this week and participated in their transition meetings which enabled them to meet their new class teacher. Although we are so sad to see them go, we are so incredibly proud of the progress they have made and how far they have come, especially in such a tempestuous year.

### School resources

Can we please give a gentle reminder to continue to stock up your children’s pencil cases if possible. The children seem to be running particularly low on pencils and glue sticks. Thank you for your continued support with this, it is greatly appreciated.

Thank you so much for your ongoing support,

Mrs Woodruff, Miss Bennett, Miss Brake, Miss Flashman
