

Worplesdon Primary School – Weekly Update

Friday 9nd July

Dear Parents/Carers,

What a busy week it has been in Year 6! From virtual district sports to filming our production, the children certainly have had lots to do this week and it has been wonderful to see their energy and excitement build as we approach their final full week at Worplesdon.

As a reminder, on Monday all children should come to school at their normal, staggered time. If they are going to PGL, they should go through the main school gates and walk onto the field or if they are staying in school they should come down the drive way and head up to the year 6 classrooms. If your child requires medicine for while they are away and you haven't yet brought it in, please hand this to the group leader in the morning.

This week, we completed the filming of our Lion King production and the children have done so well! We will be sharing it via Google Classroom once we return from PGL.

In the final week of term, we will be doing shirt signing for the children to take away as a memento of their time at Worplesdon. Children will need to bring in a spare blue polo shirt in a labelled bag on Monday 19th July as well as a marker pen to write on other shirts with. We will lay the shirts out in the hall on tables and then the children and other members of staff will be able to sign them over the course of the 2 days and children can then take them home on the last day of term.

The Year 6 Team
