

Worplesdon Primary School – Weekly Update

Friday 16th July 2021

Dear Parents / Carers,

We cannot believe that we have just finished the last full week in Year 4 and that we are only two and a half days away from the summer holidays! We wanted to start this message letting you know how incredibly proud we are of all the children in Year 4. They have shown such resilience this year, working from home or in the bubbles. We know that they are going to be fantastic in Year 5 and in their new classes.

Last week, you should have received your children's reports. We hope you are as proud of their achievements as we are. If you have any questions or comments then please let their teacher know.

In English, this week we have been writing our own tweaked versions of Dragon Post. We have been loving reading all their creative writing. Next week we will be doing some writing based on the Lost City of Atlantis.

In Maths, we have continued to look at position and movement including the translation of 2D shapes on a grid. Next week, we will be completing some problem-solving challenges that use the skills that they have learnt this year.

Over the summer holidays there is no expectation that the children do work. As always it would also be really helpful if you could continue to practise the times tables up to 12x12. In school we use TTRockstars and a game called Daily 10. Here is the link: <https://www.topmarks.co.uk/maths-games/daily10>. Our aim is to get the children answering all of these times tables within 6 seconds.

As a reminder school finishes for the summer holidays on Wednesday 21st July at ...

- 1.25pm –1.35pm (Water and Fire)
- 1.35pm –1.45pm (Earth and Air)

All that is left for us to say is a HUGE thank you for all of your support this year. We appreciate it. Have a fantastic summer holiday!

The Year 4 Team.

Mr Torjussen, Mrs Chitson, Mrs Sibley, Miss Connor, Mrs Evans, Mrs Goldswain, Mrs Herzig, Mrs Bell, Mrs Hopkins and Mrs Strange.
