

Worplesdon Primary School – Weekly Update

Friday 10th September

Dear Parents / Carers,

What a wonderful week it has been up in Year 6! It has been an absolute delight to get to know all your children and they have shown such enthusiasm for their learning so far – it's going to be an amazing year!

This week all the children received a new reading diary and visited the library to select a book to enjoy in school and at home. We really believe reading is the key to success across the curriculum so we would like children to have their books in school every day so they can read throughout the day as well as completing at least 4 signed reads at home throughout the week. Children are more than welcome to read a book from home, as long as it is age appropriate and they can bring it in to school. We also really want children to enjoy their reading, so if you have any questions or concerns, please don't hesitate to contact us.

Excitingly, we are able to resume our Year 6 roles and responsibilities this year and we have explained to the children about all the different roles they are able to apply for. Every child will have a role in making the school a better place, and they can fill in the form on our Google Classroom to explain why they would like each role. Please could these be completed by Wednesday 15th September.

Over the next couple of weeks, we will also be talking to the children about acting responsibly when using the internet and social media. If you have any concerns or queries about keeping you children safe when accessing the internet, please don't hesitate to contact us.

In our art project this term, we will be making paper mache Greek masks, so if you have any old newspapers you could donate to help with this, we would be very appreciative.

Finally, if you ever have any questions or concerns, please don't hesitate to catch us in the playground at the end of the day. However, we know that lots of Year 6 children walk out to meet an adult, so please don't hesitate to email us (no matter how small a question or problem may be!)
