

Worplesdon Primary School – Weekly Update

Friday 24th September

Dear Parents / Carers,

Although it has been only 3 weeks since we returned from the holidays, your children have really risen to the challenge of being at the top of the school and we are having a really wonderful time with them now most of them have returned to school. A big shout out needs to go to all the children and families who have had to or who are currently isolating. Well done for staying positive and keeping going!

Next week, we will be announcing which role and responsibility your child will have this year. They are very excited to have a positive impact across the school!

On Monday, individual and sibling photos are being taken so please remember to send your children to school in their full school uniform along with their PE kit in a bag to get changed into for the afternoon.

On Friday, Kestrels will be performing the first class assembly of the year. As you know, to keep everybody safe, we will only be able to invite one adult per family and we will be asking you to wear masks and social distance during the performance. Thank you for your understanding.

Finally, please continue to encourage your children to frequently read at home as it really does make a massive difference to every aspect of the curriculum. If they are struggling for motivation, it is likely they just haven't found the right book yet, so please drop us an email so we can help with this. Our expectation is for 4 signed reads to be in their diary each week.

Wishing you a relaxing weekend,

Mr Clifton, Miss Bennett and Mr Djadali
