

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 10th September

We have been so impressed with how well the children have settled back into school. They have been a delight to teach and we are very proud of them for their positive approach to school life.

In English this week, we have been writing about our summer holidays. The children have loved sharing, with both their class mates and teaching staff, everything they got up to; producing lovely pieces of writing. In Maths, the children have been recapping their place value knowledge. We have been impressed by their use of dienes to represent numbers.

This week the children should have come home with a new reading diary for the year and a reading book. Please can we ask for you to continue to read regularly at home. This year homework passports will continue and information on this will be shared in our next weekly email.

As a reminder, our PE days are on Wednesdays and Thursdays this year. The children should come to school in PE kit on these days.

If you have any questions or queries please do not hesitate to get in contact with us. Our email addresses are below:
