

## Worplesdon Primary School – Weekly Update

Thursday 21<sup>st</sup> October 2021

Dear Parents / Carers,

We hope you enjoyed looking at your child's English and Maths books this week.

Our topic next half term is the Vicious Vikings. We will begin the term with a Viking day on Monday. We will not be dressing up for this day, but the children will be taking part in a variety of Viking themed activities throughout the day.

This week, in English, the children written part of a story based on Captain Flinn. We had astronauts whose rockets have been stolen, princesses whose carriages had been stolen and Santa whose sleigh had been stolen! After half term, we will be writing non-chronological reports on Toothless from How to Train Your Dragon. In Maths, we have continued subtracting using column method and the children are growing increasingly confident with exchanging. After half term, we will be recapping addition and subtraction and solving word problems.

Your child's Christmas card design was sent home yesterday. If you would like to order any Christmas cards or other Christmas gifts with this design on, please return the artwork with your details completed on the back. This needs to be returned to school by **Wednesday 3<sup>rd</sup> November**.

Some children are still wearing earrings on PE days. If your child cannot take their earrings out themselves then they will have to sit out of the PE lesson.

The children will be using the field for PE throughout Winter so please bring a second pair of trainers into school for the children to change into. These can be left in school on the children's pegs or brought in every Wednesday (Tuesday's PE lesson is inside). We will ask children to change into these for PE on the field, and then change back into their PE trainers afterwards.

Sparrows children have come home with the words to the Viking Rock which we will be singing in our assembly. The song has been uploaded onto Google Classroom so that the children can practise this at home. Their lines will be sent home to learn on Monday 1<sup>st</sup> November. We look forward to welcoming one parent per child into the hall on **Friday 5<sup>th</sup> November** to watch their class assembly.

Please don't hesitate to get in touch if you have any questions or concerns throughout the year. Our email addresses are below.
