

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 15th October

Wow can you believe we have finished our last full week of school before half term? In English, the children created their own dinosaur and wrote a non-chronological report on this. Here are some examples:

- Goldasaurus
- Candysaurus Rex
- Diamondasaurus

We were thoroughly impressed with their imagination, use of description and their ability to use paragraphs around a theme.

This week, the children have designed their own Christmas cards using finger painting. Either today or early next week these will be coming home for you to look at and order if you wish. The deadline for this is Wednesday 3rd November.

As the weather continues to get cold and wet, please ensure your child comes in to school on PE days with a spare pair of shoes and socks in a plastic bag. On occasion we do use the field, therefore wet feet and muddy shoes are inevitable. This is uncomfortable for the children so a fresh set of socks and shoes will make all the difference for them. In addition, please can they wear a coat to school every day as the weather is so unpredictable.

On Monday, we will be sending the children's English and Maths books home for you to have a look through as you didn't get the chance to at Parents Evening due to it being virtual. Please make sure the books come back with the children on Tuesday as we do English and Maths daily.

Just a reminder that school is closed next Friday so school will break up for half term on Thursday.

We hope you have a lovely weekend!

The Year 4 Team
