

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Thursday 21<sup>st</sup> October

Can you believe it is half term? The children have had a great start to Year 4 and we are so impressed with their behaviour, engagement and enthusiasm every day.

The children ended the half term performing poems they had written about dinosaurs. They had lots of fun creating actions and being very expressive. In Maths this week, we finished our addition and subtraction topic. The children demonstrated a secure understanding and we will now be moving onto measure after half term.

On Monday, their English and Maths books were sent home. We hope you enjoyed getting a chance to see what your child has been getting up to in school and all the lovely work they have been producing.

Just a reminder that your child's Christmas card designs have been sent home. If you would like to order any Christmas cards or other Christmas gifts with this design on, please return the artwork with your details completed on the back. This needs to be returned to school by **Wednesday 3<sup>rd</sup> November**.

Thank you for all your support so far this year.

Wishing you a wonderful, relaxing half term.

Miss Dunne, Miss Piercy, Mrs Nightingale and Mrs Carey
